**Sick industrial units in Gujarat**

*332. SHRI GOPALSINH G. SOLANKI: Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) the number of big and medium industrial units which are in distress and lying sick in Gujarat as on date with district-wise details thereof;

(b) the details of measures initiated by Government to revive these industrial units in the State within a time-frame; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (DR. RAMAN): (a) Data on sick industrial units assisted by the banks in the country are compiled by the Reserve Bank of India (RBI). According to the RBI report, the district-wise details of non-SSI (Sick/weak) units is given below:—

| Name of District | No. of Units |
|---|---|
| Ahmedabad | 111 |
| Amroli | 2 |
| Bharuch | 12 |
| Bhavnagar | 6 |
| Gandhinagar | 10 |
| Jamnagar | 1 5 |
| Junagadh | 3 |
| Kutch | |
| Kheda | 7 |
| Mahesana | 11 |
| Panch Mahal | 12 |
| Rajkot Sabar | 5 2 |
| Kantha | |
| Surat | 36 |
| Name of District | No. of Units |
| Surendranagar | 3 |
| Vadodara | 37 |
| Valsad | 18 |
| TOTAL | 281 |

(b) and (c) Several factors, both internal and external often working in combination, have been responsible for industrial sickness. The main causes include deficiencies in planning, management, marketing etc. Measures taken by Government of India to tackle industrial sickness are a continuous process, and generally address the problems on an all-India or sectoral basis.
